

**RISM Hari Raya Aidilfitri Open House,
18th July 2017, Tuesday, 5.00 p.m. - 8.00 p.m.**

Royal Institution of Surveyors Malaysia (RISM) held its Hari Raya Open House for members and our allied organizations and professionals at the RISM Resource Centre on 18th July 2017. The event provided an excellent opportunity for RISM Councillors and Staff to celebrate Hari Raya Aidilfitri in a warm and friendly atmosphere filled with a sense of goodwill with RISM Members and friends from related-industry.

Some 100 guests attended this festive event. Apart from being treated to scrumptious delicacies, guests enjoyed an opportunity to network and mingle with one another. The President, as the host, along with other RISM committee members greeted and entertained all guests.

During this Open House, The President proudly launched the Berita QS that was published by the Quantity Surveyors Division, after a hiatus of around 10 years. Berita QS is also published online making it more beneficial and interactive by reaching a bigger audience locally and globally.

Towards the later part of the evening, several members took to the floor to exhibit their vocal capability. The guests were entertained! 🌍
