**The Samarahan Country Club** (formerly known as Sarawak Club Golf Resort from 2008 to 2012) is located strategically next to the Unimas Campus along the Kuching-Samarahan Expressway, Kota Samarahan and 12 KM away from the Kuching International Airport. The club boasts a 35,000 sq. ft. clubhouse, an 18-hole golf course, a 25-bay driving range, an Olympic-sized salt water swimming pool, a spa pool, a children's splash pool, terrace cafeteria, a bar, function rooms, and changing rooms. The club is flanked by UNIMAS, UITM, Intan, the Teacher's Training College, Government offices and residences.

The scenic and challenging par 72 golf course plays at 6,125 metres (black tees), 5,839 (blue), 5,372 (white) and 4,934 (red). Its mix of four par 3's, 10 par 4's and four par 5's meander through are beautiful rain forest jungle and is considered by many as one of Sarawak's must-play golf courses. Paspalum grass covers the tee-boxes and fairways while Bermuda covers the greens.
